Dear Commissioner Collins,

There are many issues that face the firefighters throughout the County today. Whether it's Heart and Lung Benefits for firefighters, collective bargaining statutes, the defense of our worker's compensation statutes, the protection for our collectively bargained insurances trusts, or our public retirement system. Our members have many concerns. Today public safety workers are at the forefront of our county's defenses.

Because of the support you have given and expressed to the firefighters of Clark County, Clark County Firefighters Local 1908 is proud to support your reelection effort for the office of County Commissioner. Your continued support will be of extreme value in the upcoming term.

Please accept this contribution and endorsement on behalf of Clark County Firefighters. If we can be of any assistance to you please feel free to contact me. We look forward to working with you during your term.

Respectfully,

Ryan Beaman
President
