RE: Political Endorsement

Dear Mr. Collins:

On behalf of the Political Action Committee for the Las Vegas City Employees' Association I am pleased to inform you the Political Action Committee regards you as the best candidate for County Commissioner District B for the State of Nevada. Our committee is so impressed with your dedication to the City and to your responsibilities that the vote to endorse you was unanimous

If there is anything we can do to ensure the success of your campaign, please contact me, or my general manager Karen Frei, at 649-6606.

Sincerely,

Tommy Ricketts, President
