Dear Commissioner Collins,

On behalf of the members of SEIU Nevada, I am pleased to inform you that we will be endorsing your reelection bid. I would like to thank you for your advocacy on behalf of working families in our state.

The decision to endorse your candidacy was reached by SEIU Nevada's Committee on Political Education and our Executive Board based on your record of support for issues that matter to working people, including the nurses, healthcare workers and public employees represented by SEIU Nevada. We would like to thank you for all of the hard work you have done to improve the lives of all Nevadans.

Your endorsement will be communicated to more than 17,500 working families represented by SEIU in Nevada. Also, we will be taking a strategic look at many of the races and planning extensive campaign activities on behalf of endorsed candidates in both the primary campaigns and general election in November.

We look forward to working together in the days ahead and wish you luck in your race.

Respectfully,
